July 19-21: MTC/Heartland Weekend, Hannibal, MO

By Wayne Miller

The MTC Sundae Hannibal campout is this weekend Thursday July 18 thru Monday July 22 at the Mark Twain Cave and campground just one mile south of Hannibal Missouri off Highway 79. It is a really nice campground and the MTC group puts on a great feed. There is lots to do at Hannibal. The address is 300 Cave Hollow Road. See map on page 6. The group will be at the far pavilion.

Alana Springs - Richland Center, WI Aug 9-11

This will be the first of two visits to Alana Springs. Contact Bert Hansmann to let him know you're coming. 715-213-2820

Quad State, MN Aug 22-25

Planning info for this highly anticipated annual event starts on Page 2!

Fall Colors, IL Sep 20-22

Bert has issued a correction to the date for this perennial camping event at Lake LeAquaNa (Lena). It will be on the usual date, not early September (6-8) after all.

Fall Colors, WI Oct 11-13

By Chuck Tydrich

The 2024 Fall Colors will be at the **COBBLESTONE INN and SUITES** in Durand, Wisconsin on the weekend of **October 11-13**. We have 6 rooms on hold till September 11. Single Kings or double queens for \$99/night. Jacob blocked off the rooms under my name and their phone number is **715-672-5055**. I did not get any instructions for being able to make a reservation in the block through their website so phoning in will be the best. Hope it all goes smoothly ;)

Dues Delinquency?

If you haven't yet sent your annual dues to Laura, please do so now (to her mailing address), or you can pay up at the next campout. Don't forget, now. Still just \$2 if you're reading on line—the best bargain in motorcycling! (\$20 for paper copies)

Quad State Rally 2024

By Dale Peterson

Greetings, everyone! See page 3 for the registration form for the "2024 Quad State Rally" this August near Lanesboro, MN. Please print it out, fill out the form, and then mail that form along with your check to Joan Winkelman at the address found at the bottom of the form.

On page 4 you'll find a screenshot of the campground map. Way over on the east side you'll see "tent" sites E2-E10 in purple. E5-E10 have no water and no electrical. However, E2 and E3 have electrical. (E4 is already taken.) So we have available to us. E2, E3, and E5-E10. Again, this is for tents only. If four of our tents need electrical hookup, then they can share E2 and E3. If more than 4 tents need electrical, then we have an issue.

Melanie said that there is a water spigot near the showers/laundry area. She said that it's a walk, but not bad. If need be, Julia and I can bring jugs of fresh water for coffee. There will be picnic tables available for us in our area. So I'm guessing that serving breakfast somewhere near the tent area will work out just fine. There is a sheltered picnic area south of the tent sites. Just not too sure how far away it is or if it will be available to us. Melanie said it's a crap shoot as to who gets it and when. Please note!

1. If you're a tenter, please contact the campground before April 8th to secure your tent site. For tenters that will need electric, sites E2 and E3 are the only two available. (Two tents can share one site.) If you do NOT need electrical hookup, then please choose tent sites E5-E10.

2. If you plan on staying at the campground with a trailer, please contact the campground as soon as possible to secure a site near the Heartland Sundae Road Riders tent area. Being close to the tenters is NOT guaranteed.

3. Just so everyone knows, I'm currently locking in tent sites only. I am not reserving sites for those members showing up with campers. People camping with campers will need to reserve their own sites nearby.

I grabbed these particular tent sites because they're really close to the bathrooms and showers.

Feel free to email me with any questions.

Will Floodwaters Recede in Time?

By Joan Winkelman

For QS attendees, Minnesota has had excess rainfall and there are areas of flooding in SW MN and way north of our camping area. So far all is well in SE MN, no detours or closures.
